

### **New Year Blessing**

**May the sun always  
rise on your path.  
May the sun never  
set on your dreams.  
May all your tomorrows  
be as beautiful as tropical  
sunrises and sunsets.  
May no evil darken  
your door.  
May no hardships  
cross your path.  
May the New Year bring  
fruition to all your  
goals and dreams.  
May the Son shine on all  
your goals and dreams.  
May the laughter you  
share on New Year's Day  
follow you throughout  
the New Year.**
